

# Hickman County

where history and progress unite

# LOCAL GOVERNMENT

- Local government is hard-working and progressive, seeking to build a stronger community in which the quality of life for its citizens is improved in all areas of community development and liveability.

# COMMUNITY PROJECTS

HICKMAN COUNTY...  
A PROGRESSIVE COMMUNITY

# *Hickman County High School*

- The Hickman County Board of Education is currently involved in a near 4 million dollar improvement project at Hickman County High School, including new and improved state-of-the-art educational and technological programs.

# Hickman County Elementary

- Hickman County Elementary School, constructed in 1998, offers the cutting edge in educational opportunities for the community's youngest students.

# Hickman County Ambulance Service

- The Clinton-Hickman County Ambulance Service operates from a new building constructed in 1999 and provides advanced life support services for the community.

# Peerless Premier

- Peerless-Premier, Hickman County's newest industrial citizen, located in a former industrial facility owned and rehabilitated by the Hickman County Industrial Development Authority with a near million dollar state grant, is now hiring local citizens and improving quality of life for them, while improving its own profitability.

# Hickman County Health Department

- The newly-constructed Hickman County Health Center and its staff now provide much-needed public health services to all citizens of the county.

# Possible Industrial Opportunities

- The Hickman County Industrial Development Authority continues to develop and market property for new and developing industrial and economic development possibilities.

# HICKMAN COUNTY COURTHOUSE ANNEX

The newly-constructed Hickman County Courthouse Annex provides an appropriate forum for its law enforcement and judicial officers to assist in maintaining a safe, quiet community.

# Hickman County Detention Center

- The Hickman County Detention Center, opening in February, 2000, was constructed to allow the courts to have adequate housing for prisoners in order to maintain law and order in the community, and to allow local government to move forward without the necessity of a tax increase to pay another county for the incarceration of Hickman County's prisoners.

# COMMUNITY AMENITIES

# *Banking Facilities*

- Hickman county is fortunate to have two locally owned and strong financial institutions to assist in community, industrial and business development.

Hickman county has many places of worship,  
three of which have undergone major  
construction recently.

# Come and relax a while....

at one of our bed and breakfasts.

Or spend some quality time with  
your family at Kentucky's  
Columbus-Belmont Park

# Hometown Sports

- Local volunteers work diligently to provide the community's youth opportunities in a number of sports including baseball, basketball, soccer and golf.

# Fun in the sun.....

- Oakhill Recreation Association, a semi-private facility, located on US Hwy 51 north of Clinton, provides recreational opportunities for the entire family.

The background of the image is a solid dark red color. Overlaid on this background are numerous thin, diagonal lines in a slightly lighter shade of red, creating a subtle striped pattern that runs from the top-left towards the bottom-right.
